

BRIGHT
ENVIRONMENT L.L.C

**Trust built on
decades of innovation,
collaboration and
experience.**

Bright is an integrated facilities management company, but we're also so much more than that.

About Us

Beginning life as a janitorial services company in 2013, Bright swiftly grew into a full scale integrated facility management company. Over the years, the company has proven itself as an industry leader, time after time, and now boasts over 30 projects in Dubai and Sharjah, and maintains a presence in cities such as Bangalore, Kuala Lumpur and Kigali.

Vision

To continually improve and enhance our quality standards and delivery systems, to meet and exceed the requirements and expectations of our customers.

Mission

To be known as the most successful facility management company in the market by exceeding customers' expectations every time, every day and in every way.

We provide a range of hard and soft services, leveraging state-of-the-art technology and age-old principles.
